Congratulations to the 25 players that have made the team to represent the Sunshine Coast in the State Championship for 2019. I am pleased to say that with the assistance of our line coaches, Shannon Campbell (Mids), Steve Tindal (Forwards), & Aaron Deckys (Backs) there has been significant improvement of the squad and an enhancement of "Footy IQ".

I have been thrilled to get to know the squad and hear about their dreams of playing at the highest level.

We have a State Talent Carnival to compete in where our collective focus will be on further development, coming together as a strong Sunshine Coast unit and enjoyment of representation.

Thank you to the Coaches, our Team Manager Michelle Hurley, our Team Runner Indie Madin, Specialist Kicking Coach Ivan Franich, Fitness Coach Candy and Dayne Frew who has supported us from AFLQ.

Sharni WEBB

DOB: 14/07/1991
 Recruited from University of Queensland
 Club: Brisbane Lions

Originally from Nambour Sharni made her debut in Lions colours in round 1 of the first season of AFLW. She has since amassed 20 games playing centre half forward and ruck. Sharni is super-competitive in the air and on the ground and can play a variety of roles. Her capacity to fill a hole in any part of the ground makes her a highly valued member of the Lions squad.

COACH

Shane Dawes

Moving from the Mornington Peninsula in Victoria, with a background of playing and coaching senior men's footy, Shane started as a youth coach back in 2016 on the Sunshine Coast. In that time Shane has become a Level 2 accredited coach through AFLQ, and coaches the Under 16 Boys at Coolum Beach.

This has been Shane's first foray into coaching female footy, and over the course of the program with the help of assistants Shannon, Aaron and Steve, has seen a measurable improvement in all the players.

Our coaching philosophy is to garner improvement through teaching and encouragement while always maintaining enjoyment in the program.

Congratulations to the 20 girls from Bribie, Kawana, Maroochyshore, Glasshouse, North Shore and Noosa who have combined to make the Sunshine Coast Under 14 team. The commitment to teamwork and personal improvement has impressed all coaches.

Attitude has such an influence on success, and we are confident that the girls selected will persist, assist and apply themselves to ensure they achieve both individual and team success throughout the carnival. Each and every player has impressed the coaching group with such fantastic determined, smiling and energetic attitudes.

Training has included some different aspects of AFL to what some girls have been used to and the hunger to learn has been a joy to be a part of: Prep to Play; kicking techniques; learning new team-mates names via tackling drills; the Milkshake Challenge! have all challenged and rewarded the Sunshine Coast girls.

It has been an epic journey for our Brisbane South Under 17 girls. We kicked off the program with 90 willing participants and with much deliberation and heartache, the coaching staff have selected a very impressive group of young women to represent the region. You will see some highly skilled and talented girls on show at the carnival this year. With 7 clubs represented it has been a focus on getting the girls to come together for one cause and a unified front.

Some of the girls have already tasted QAFLW football, with many others heading the same way. They have all commented on what fantastic relationships have been formed with their new teammates.

The "Big Sisters" of the Brisbane South family have committed to showing all at the carnival the values they want to be known for; Accountability, 1 Percenters and Pride.

What an impressive group of young female footballers we will be showing off in the Brisbane South uniform at this year's carnival. Starting with well over 60 girls in the program, we can't wait to see the girls in action to show off the talent in the region. The girls have worked hard on their kicking, handballing and ground ball skills since joining the program and are improving every session we have.

Along with the other Brisbane South teams they have built some team values that focus around their brand and their team. Respect, Effort and Relationships were what they committed to stand for, and we look forward to seeing them show these characteristics throughout the carnival, on and off the field.

Helena McNaught

Helena has been Coach of Under 13 & Under 15 Calamvale Leopards teams for the last 5 years with her teams being Grand Finalists on 3 occasions. She received Female Coach of the Year in her first year of coaching & has gone on to be involved in all aspects of female footy.

Molly RITSON

DOB: 12/08/1999
Recruited from Bond University
Club: Gold Coast SUNS

The 20 year old midfielder has lived on the Gold Coast for most of her life and plays in the QAFLW for Bond University. She was originally signed by Brisbane to play in the 2018 season however injuries forced her out for the entire season only to be de-listed at season end. After impressing the SUNS through their summer academy and winter series with her football ability, leadership and professionalism she was offered a contract for the 2020 season.

Congratulations to the 23 girls who made our first Under 17s Gold Coast South list and their tremendous efforts in doing this.

This is the first year that the Gold Coast has been split into two zones, which gives more girls the opportunity to represent the region.

With such strong talent coming through, the depth on the Gold Coast is unreal. We are super lucky to be surrounded with such hard-working individuals with big personalities. I can't wait to coach these young ladies in a small part of their journey alongside Taylor Smith, Garry Goodman and the help of Finlay Blacklock.

COACH

Jordan Membrey is a current Hawthorn VFLW player and has been a part of the Gold Coast Sunsets since the beginning, playing from the first year they started it up.

She previously has coached the Gold Coast U17s to a championship last year, alongside Tim Searl.

Before this, she coached the U14s Sunsets and has been an assistant with the Gold Coast U18s Girls Academy.

She has previously captained the Gold Coast SUNS Women's Winter Series last year and played for Collingwood in the previous AFLW season.

Congratulations to all 20 girls selected for this year's team. Splitting the Gold Coast into two zones this year definitely did not dilute the talent pool and final selections were difficult to make.

The dedication of all girls to their training and development at both personal and team level is to be commended.

The girls have taken a 'one team' approach to playing together, putting aside club rivalries, and play with a close knit team unity. We are sure the girls will enjoy their new found friendships and the carnival experience whilst continuing to develop and produce a solid brand of football.

The Northern Rivers are a young but extremely talented group, this small running and skilful playing group has shown glimpses of brilliance in preparation for the carnival and are likely to demonstrate an exciting brand of footy when they put their best on display at Maroochydore. The team features a large number of girls that have been part of the U14 Northern Rivers program previously and this experience should hold them in good stead.

The team features a couple of young up and coming stars, one of which is Imogen Evans who has had an outstanding season being selected in the U15 All Australian School Girls Team and is sure to be among the best at this carnival. This team prides themselves on their defensive pressure which has been a trademark of the Northern Rivers Girls teams in previous years. They will be well led by the more experienced players of Sally Evans, Georgia Hutton, Pearl Perkins and Eliza O'toole all of which have had success at this carnival in Maroochydore in the past.

COACH

Sally Carter

Sally embarks on her second year as a coach with the Northern Rivers Talent Programs and has stepped up to lead the U17 age group this year after helping guide the U14 Northern Rivers Girls to a very successful carnival in 2018.

This year Sally guided the U13 Tweed Coast Tigers girls to a Grand Final appearance and will be hoping to continue that success with the U17 Northern Rivers Girls at the Maroochydore carnival. Sally is well supported by Nicola Beward and also Steve Foreman who is attending his fourth State Academy Carnival as a coach with the Northern Rivers teams.
