6. Enter team information including Age Group, Gender, and ID (For Youth age groups, it is important that you complete the ID field with the Division this team wishes to nominate for, e.g. Division 1). The information entered into the Age Group, Gender and ID fields will automatically populate the Team Name field (e.g. Park Ridge Pirates U13 Division 2). Do not change any self-populated information in the Team Name field.

Please refer to special instructions at the bottom of this page for Junior teams

Age group*		Gender*		ID	
U13 ~		Mixed ~		Division 2	
Team name*					
Park Ridge Pirates U13 Mixed Division 2					

Enter the Home Venue to nominate the location of this team's home games. Search venues in the Venue box, then select a Ground from the list available.

Please select the venue and ground which the team is expecting to play most of its home games (e.g. Junior Oval or School Oval instead of the main field for example).

Juniors: Experienced-Based-Play Team Nominations

Junior competitions are structured based on the average experience of each team; providing every team the best opportunity to play as many like-for-like matches within their competition as possible.

Each competition is also structured to minimise travel to within their local area where possible.

When completing step 6 above, for Junior age groups, you can insert any ID to differentiate your team where required (i.e., a colour, mascot, etc.) – NOT a division number. To help competition managers structure each competition, you will also need to include <u>one</u> of the following next to the ID after a space for each team:

Team description:	Enter next to your team's ID:		
A team with mostly <i>inexperienced</i> participants (most kids in the team still	т		
finding their feet and picking up the fundamentals of the game)	L L		
OR			
A team with mostly <i>experienced</i> participants (most kids have come through	F		
the AFL pathway, have a good handle on the fundamentals of the game)	E		

(e.g., Red E, Panthers I, Tomcats E, Blue I)

Under 11 Mixed Regrading

While the Under 11 Mixed competitions are initially structured geographically, this particular age group is essentially *restructured* following four rounds of the regular season. Any changes are based on the results of the games played in the first four rounds of the season to ensure that the second half of the season provides more like-for-like games for as many teams as possible.
