# **IMPORTANT NOTES**

## **PLEASE READ BEFORE PROCEEDING**

This document was **revised in October 2023** and is the reference document for the 2024 AFL Queensland football season.

Key changes include:

- All female competitions in Queensland are **no longer permitted to use white shorts**.
- Playing numbers must contain one colour only, and **cannot be multicoloured as part of a clubs special event jumper (Pride or Indigenous Rounds as an example)**.

A reminder:

- **Apparel providers are ultimately responsible for obtaining AFL Queensland’s approval for ANY new apparel design or logo placement (as referenced throughout document)**. In the event that such approval is not forthcoming or has not been requested; the apparel provider may be responsible for all costs associated with the noncompliant apparel becoming compliant.
- **ANY on or off field apparel featuring AFL IP inclusive of but not limited to the AFL logo, AFL Queensland logo or AFL Queensland Q-Shield must be produced by an AFLQ Licensed Supplier**. A full list of Licensed Suppliers can be found on page 8 of these guidelines.
- **Maximum measurements and sizing of logos are provided and must be adhered to**. Whilst garments will vary in size, suppliers and designers must adhere to these measurements as outlined. If you have concerns about sizing, please contact AFL Queensland. Logos cannot exceed the maximum size requirements.
- **If you require access to any of the logos contained in this document**, please contact your Competition Manager.  
Logos in this document are for visual reference only, **they are NOT intended to be copied directly from this document**.

# IMPORTANT NOTES

## SPECIAL EVENT JUMPER GUIDELINES

From time to time, Clubs may request special event jumpers (e.g., Indigenous or Multicultural Round, or a specific Club charity match or milestone jumper). The following guidelines have been put together for Clubs and Licensed Suppliers to follow in the event of a Special Event jumper design.

ALL existing on-field apparel guidelines still apply.

Clubs can add up to TWO additional logos on the back of their jumpers, in support of the charity or to raise additional funds through sponsorship. Clubs can also change the overall design of their jumpers for the specific event. ALL artwork will still need to be approved by AFL Queensland.

Playing numbers must contain one colour only, and **cannot be multicoloured as part of a clubs special event jumper design.**

# **IMPORTANT NOTES**

## **OFF-FIELD APPAREL GUIDELINES**

- Any off-field apparel that features any AFL IP, inclusive of but not limited to; the AFL logo, AFL Queensland logo or AFL Queensland Q-Shield must still follow the AFL Queensland Approvals Process.
- Any garment featuring any AFL IP, inclusive of but not limited to, the AFL logo, AFL Queensland logo or AFL Queensland Q-Shield must be sourced from an AFL Queensland Licensed Supplier – this includes caps, t-shirts/polos and tracksuit tops and bottoms.
- For **Community Competitions**, there is no restriction on the number of sponsor logos Clubs can place on their off-field apparel.
- For **Regional Talent Programs**, there can be:
  - One logo underneath the TALENT Q-Shield on the front (85mm wide)
  - Two logos on the back (one above the number and one below) (as per on-field size guidelines)
  - One logo on the LEFT sleeve (70mm wide)
- For **State Teams**, off-field apparel must only contain the Supplier and Pathway Sponsor Logo.

# IMPORTANT NOTES

## APPROVAL PROCESS

AFL Queensland has put together the below Approvals Process to ensure both the integrity of the AFL brand, and to maintain a professional and consistent image for the Code of Australian Football, AFL Queensland and associated Talent Pathways and Leagues/Competitions. This approval process relates to ANY garment produced which contains any AFL IP, inclusive of but not limited to, the AFL logo, AFL Queensland logo or AFL Queensland Q-Shield.
